Approved For Release 2005/05/02 : CIA-RDP82-00457R012600370008-8 25X1 SECRET 25X1 29 and 30 April, local flying by jet fighters; on 6 lay, local and highaltitude flights by jet fighters. There was no flying on 13 april and from 25X1 25X1 The two radio installations with four macts each, proviously located north of Red Will, were removed. The Red Will Installation was still occupied. 25X1 25X1 25X1 on 6 Lay, 3 biplanes and 12 swept-back jet fighters were 25X1 25X1 25X1 Comments. Recently, such practice alerts have been frequently observed in the area of the Twenty-Fourth fir Army. It is not clear if these practices are routine exercises 25X1⁽²⁾ The information refers to the Kech office which was transferred from Gera to (3)Wittstock 25X1_();) The target range of the lighter regiment stationed in Wittstock is located in 25X1₍₆₎ The report confirms that dittstock sirfield is occupied by a fighter regiment. The actual total number of sircraft is believed to be about 33 Mig-15s, of which only 23 MiG-15s were observed. Observation at the field is difficult because of the 25X1
